Training Institute

Christian Leadership

Amrahia, Accra, Ghana

The Secretary,

Pastor Richard Ntim

Executive Committee of National Council of RCC Ghana.

Dear Sir.

Greetings in Christ name.

Because of the response of the National Council on April 29, 2016 to the proposed amendments to your new Constitution and by-laws, we withdraw our partnership from the RCC until such time as the issues can be resolved to the satisfaction of all partners involved. If these issues cannot be resolved, then our withdrawal will be permanent. If the issues can be resolved to our satisfaction, then we will renew our partnership with RCC.

In addition to this, we are asking you to remove you official office from our compound at Amrahia, Accra, Ghana within thirty days of receiving this notice. If these issues can be resolved, we will consider allowing you to again use our compound for your official office.

Until such time as these issue can be resolved, we do not view RCC as a partner in our work in Ghana.

For His glory,

On behalf of the Board of Directors of the Christian Leadership Training Institute.

Thanks, and remain blessed.

Obeten, S. U  
CLTI Board Chairman
